

Fundraising Event Software

Seamless Fundraising

A Better Experience

Simplified Event Management

We'll Be Your Fundraising Calm

From the planning stages, to event night, to reconciliation, **Greater Giving** offers a complete end-to-end solution—resulting in increased revenue for your organization.

Exclusively for Nonprofits and Schools

Your organization's technology needs are unique from the corporate business world. That's why we work exclusively with nonprofits and schools—proud to have supported over 50 thousand nonprofit events and securely processed more than 6 billion in donations since 2002.

All-In-One Solution

Manage details of every fundraiser year-round, with Greater Giving's full service fundraising solutions—from auctions with live or online bidding, to registration and donations, to-athons and more, we've got you covered.

Our solutions are easy to set-up, and the live and on-demand training will help quickly and conveniently train your staff and volunteers. With unlimited users, events, and support, we'll help you reduce costs and save valuable time.

Secure and Reliable

Your donor's payment security is our top priority. Greater Giving is a Level 1 vendor, the highest, most secure level of PCI compliance—so you know your data is safe.

Our technology and processes are reviewed regularly and undergo an annual audit by a PCI- accredited 3rd party to ensure PCI compliance. We are also our own merchant provider, securely processing all your transactions.

Unparalleled Support

Our Client Services team provides unlimited support with live training classes, videos and online help—available for questions by phone, email, and live chat. We're here for you through every phase of your event—including 24 hour live support the day of your event.

"The Auction was amazing. Online Bidding was incredible! Fund-a-need was perfect! Best. Auction. Ever."

— Inman Cooperative Preschool, GA

"Greater Giving Event Software was streamlined and efficient, and Go Time was the easiest system for our volunteers to learn. I simply love it and would tell other nonprofits, you've got to use it!"

— Seattle Aquarium, WA
