

A photograph of two women, one with red hair and one with grey hair and glasses, looking at a laptop screen. The woman with red hair is wearing a purple top, and the woman with grey hair is wearing a dark green top and a green lanyard. They are in an office setting with white subway tiles on the wall.

# Making a Difference Starts with a Plan

Plan IT empowers nonprofit organizations to make rewarding use of technology to achieve their missions. Your team will work with our expert Executive Service Corps consultants to complete the Plan IT process.

## Benefits of Plan IT

- Expand your team's tech knowledge
- Consultants invested in your success
- Vendor-neutral guidance
- Nonprofit-friendly rate

## What do nonprofits have to say about the program?

*"501 Commons' Plan IT program connected our organization with dedicated, professional consultants from a variety of tech backgrounds who did an excellent job working with our whole staff to identify our technology needs and create a thoughtful, actionable plan to address them."*

*- Kathleen Banks, Imagine Housing*

Learn how you can join the 150+ organizations that have benefited from the Plan IT program at [www.501commons.org/services/technology-services/Plan-IT](http://www.501commons.org/services/technology-services/Plan-IT)

To schedule a Plan IT project for your organization, start a conversation with Kai Dailey at [kai@501commons.org](mailto:kai@501commons.org).
